PRESIDENT'S MESSAGE— HAPPY NEW YEAR!

by Rinda Wohlwend, LAC President > > > > > > > > > >

Happy New Year!! Here's wishing everyone health, wealth and great skiing/boarding in 2006!

Off to the Races

The race season has officially started. Rokka and LA Council Ski/Snowboard Race Camps have come and gone. I've talked with a couple people who attended for the first time and said it was "the best thing they've done for their skiing."

Courtesy Bonnie West

Snow Gala

Our annual Snow Gala was held on November 5, 2006 at the beautiful dockside Marina del Rey Hotel.

It was an elegant, spectacular event with dining, dancing and after parties until the wee hours of the morning.

Congratulations and kudos to the 2005 LAC Man and Woman of the Year, **Ray Craig** and **Laura Preiss**. Thank you to all the candidates and judges for participating, too. It

wouldn't happen without your efforts.

Your clubs and the Council truly appreciate your many contributions.

Also, many thanks from myself and the Council to the following: **Mary Albritton** for chairing the event; **Bonnie West** for chairing the Man/Woman of the Year portion; **Catherine Ohl** for the program; **Mel Katz** of PIP Printing for printing the programs; **Jim and Jan Degner** for their photography.

Thanks also to the many helpers which gave so much of their personal time for this event: **Ed Knott, Ray Craig, Karen James, and Steve Talley**. There were many others which I've probably failed to mention here, but know that I send you all a big THANKS!

Off to the Slopes in 2006

In February, we're off to Telluride, Colorado. We have about 135 skiers ready to hit the slopes.

Following that trip we're going

to Utah for a 4-day trip. Just think, all of these plus individual club trips!

Following that trip, we're off to Kitzbühel and Prague and although I'm not sure of the number, I know the trip has been filled for some time now. Whew!

December General Meeting

Claude Swonger of Ski Net was our guest speaker and showed us all the latest boots and skis. As always it was very informative and fun!

Remember that due to the holidays, the January meeting will be on the 8th. Due to Ski Week to Telluride, the February meeting will be held on the 13th.

LAC Directory

Please pick up our LAC Directory at the general meetings. And, remember, our new meeting location is at the Grinder Restaurant, 8521 S. Sepulveda Blvd., Westchester [entrance off Manchester].

Hope to see you at the meetings or on the slopes! ✨

Rinda

General Meeting—

We will have our own room in the back. They will give us separate checks and they serve wine & beer. Yeah!

*First Monday of the Month, 7 PM
Grinder Restaurant
8521 S. Sepulveda Blvd.,
Westchester
[entrance off of Manchester]
310.641.8210*

Please note the change of dates for the January & February meetings.

January Meeting

Monday, January 8, 2006

February Meeting

Monday, February 13, 2006

MEMBERSHIP MATTERS— WINTER ROCKS

> > > > > > > > > > > by Iris Williams, LAC Membership VP

Happy New Year Fellow Council Members!

This has been one heck of a year. We have seen or heard some incredible Mother Nature stories including that Mammoth Mountain having snow past July 4, 2006!

Thanks!

Thanks to everyone who helped with the Tsunami and Katrina efforts. You will truly be blessed and may no major natural disaster affect yours or your love ones lives.

Winter is showing its full effects here. A blizzard in Tahoe means more snow for Mammoth and our local mountains. Looks like we are on target for a great ski season, Eh?

NEW Resolutions for 2006

Remember to forward all new officers changes to VP Membership so that our communications of information will be seamless. Have All CST#s renewed or registered. Have all elections information for Spring ready and forwarded to VP Membership by April 2006. Get involved in LA Council during 2005-2006 and increase the excitement!

Winter Poem

Old Man winter is here so have no fear,

We will ski his house until he stops shedding tears.

Then when his coat begins to melt,

We will water ski down his pelt!

Membership Has It's Benefits!

Check out the coupon offered to LA Council members for parking at LAX.

Be Safe. Be blessed. *

Iris

TRAVEL TIDBITS— 2006 TRIP UPDATES

> > > > > > > > > > > > by Bonnie West, LAC Travel VP

Telluride—

February 4-11, 2006

We have over 135 people on this trip from LA! There is still time to get on a wait list for this trip. Unfortunately, there are always people who get hurt and have to cancel out of a trip, so if you want to go on this trip, give me a call. *Call Bonnie for trip details.*

Snowbasin & Powder Mtn.—

February 23-27, 2006

We are still planning on running this trip; however it is in danger of being cancelled if we don't get more sign-ups. If you want to ski 4 days at a couple of great resorts, this is the one! *See page 6 for details or contact Britt Johnson at 310.379.8972.*

Prague & Kitzbühel—

March 14-25, 2006

WOW! We found out that many people were interested in this trip! I do have room for a "single" male due to some cancellations, and can always put you on the waiting list if

you are interested in a European holiday. There are several on the trip who are not necessarily planning on skiing the entire week in Kitzbühel, and are planning some excursions. *See page 6 for trip details.*

Jackson Hole 2007

February 3-10, 2007

It is official – LAC Ski Week is to Jackson Hole, WY February 3-10, 2007. Last time LAC did Ski Week at Jackson was in 1992, nearly 15 years ago! We're putting together a familiarization trip the third weekend in January 2006 for trip leaders to review the lodging, etc.

Seller of Travel—

Remember, if your club advertises or promotes any trip involving air or sea travel (could be a cruise) you need to have a California Seller of Travel (CST). According to the DA, you cannot even take the money and pass it through the club. All transactions would go to a tour operator who has a

CST number.

There is an amendment to that bill that would revise the definition of seller of travel to include land or water vessel transportation, if the charge exceeds \$300. This would then include buses, i.e., even our buses to Mammoth, although usually our Mammoth trips are under \$300. This amendment is currently being held at desk, but it appears that it would certainly pass if ever brought up again.

The statute can be found at <http://ag.ca.gov/travel/> and the proposed amendment, BILL NUMBER: SB 263 in the CA Senate, can be found at <http://info.sen.ca.gov>.

We'll keep you advised.

Ski you on the slopes. *

Bonnie

Courtesy Catherine Ohl

LAC needs YOU!

It's not too early to start thinking up the coming up LA Council elections to be held at the April meeting. Here's the cliff-note version of the board functions .

- **VP Travel** puts out bids, selects and runs the Council's ski trips.
- **VP Membership** collects dues from LAC clubs, keeps the LAC data base of club officers up to date.
- The **Secretary** takes the minutes at all board and general meetings.
- The **Treasurer** makes sure we remain solvent.
- The **President** runs the board and general meetings and is the liaison between the clubs and the council. The president is also a member for the Far West Ski Association Board of Directors and the National Ski Council Federation. FWSA meetings are quarterly and the NSCF meeting is annually. *

LA Council of Ski Club presents—

Kitzbühel, Austria

March 17-25, 2006

\$1,460*

Trip includes—

- ◇ Round trip economy air from LAX on Lufthansa
- ◇ Round trip transfers from airport to Kitzbühel
- ◇ 7 nights lodging at a 3-star (Dbl. Occ.)

The Gala Story—

And it did seem like snow as we entered the ballroom, with fluffy white balloons masquerading as the “snow” and the music playing “Let It Snow.”

After an excellent dinner of our choice of prime rib or salmon, the candidates for Man & Woman were introduced. These candidates had previously prepared an outline of what they had done in their club for the last three years and these outlines had been sent to the judges for evaluation.

Each candidate gave a one-minute story of what their ski club means to them! The judges then scored the candidates on their poise & assurance, ability to communicate effectively and stay within the time limit.

Congratulations to **Laura Priess** [Singles] and **Ray Craig** [Conejo] as our 2005/2006 Man and Woman of LAC. They will represent us at the FWSA Convention in Phoenix in June. **Eric Riccio** [Tri Valley] and **Kathleen Craig** [Conejo] are the first runners-up.

Patty Stone and River Rock rocked the house with their dancing music. Seemed that everyone liked their style of music.

Many thanks to the Gala committee **Mary Albritton** [Chair], **Ed Knott** [Registration], **Jacquie Nemor** [Raffle], **Bonnie West** [Man & Woman of Year], **Catherine Ohl** [Program], **Ray Craig** [Finances], **Bonnie West** [Band], **Jim & Jan Degner** [Photography] who put this all together.

Special thanks always to **Mel Katz** [PIP Printing] and **Bob Salerno** [Vertical Snow]. Until next year, “Let It Snow, Let It Snow, Let It Snow.” ❄️

NUTS & BOLTS— A WORD (OR TWO) FROM THE EDITOR

by Catherine Ohl, LAC Communications VP > > > > > > > > >

Ski & Surf—

1765 Artesia Blvd., Manhattan
310-379-2312

Ski & Surf Shop, a favorite local ski shop in Manhattan Beach, was recently purchased by **Jeff and Mary Wilson**. The new owners are excited about continuing the tradition of excellent customer service and promise that every boot, ski or board that leaves their store is 100% guaranteed.

They are happy to report that they've retained **Bobby, Seth and Alex**, their expert tuning and repair team. In addition, their bootfitting staff has graduated from the Master boot Fitting Academy.

So stop in, check them out and say hello!

Chuck Morse—

Chuck Morse will speak at the Auslich regular club meeting on March 7, 2006. Chuck will be presenting a special program on the history of skiing, the history of organized skiing and a not-to-be-missed Ski Jeopardy Quiz. The skiing trivia quiz will even feature a few prizes, not the least of which may be a few ski lift passes.

Chuck Morse is a true friend of skiing and served for many years on the National Ski

Patrol. Chuck was a co-founder of Mountain High Ski Resort, served as executive directory of the Far West Ski Association, co-directed Mogul Mike Ski Sense and Safety Program, orchestrated a myriad of ski development projects, and was even the first person to ski the unchartered slopes of Mosses / Maggie. Hopefully, he will share his story of skiing out of the backcountry at 10,000 feet after a helicopter malfunction.

USARC Fest—

Saturday, March 4, 2006
Bear Mountain Resort
909-584-0269

\$125 per person or
\$500 for a team of five

USARC (US Adaptive Recreation Center) is a nonprofit organization providing adaptive recreation opportunities through its winter and summer programs to physically and cognitively challenged children and adults.

The funds raised in the USARC Fest offset the expense of purchasing state-of-the-art adaptive ski equipment, training 200 volunteers and professional staff members, and subsidizing the cost of every lesson.

The fest gives participants a free lift ticket, goodie pack, lunch, and apres ski awards. Prizes awarded to top fund raisers are based on the highest dollar amount turned in by the end of registration on the day of the event. *

Catherine

Trip Leader Challenges

Leading ski trips is fun, fulfilling and sometimes frustrating. Most of the routine is pretty easy— budgeting, shopping, planning, collecting payments, and keeping accurate records.

The tough part is often assigning beds and roommates. We can't know all the idiosyncrasies of each individual or guarantee compatibility. However, it is expected most people can survive a week of less than ideal circumstances.

Often lodging is "Run of the House" and not all rooms are equal. With the information provided, a trip leaders does the best to match up roommates and assign rooms.

Suggestions for easing potential conflicts—

1. Need a night light? Take a small plug in light or flashlight.
2. Need dark? Pack an eyeshade.
3. Can't stand snoring? Earplugs can help or listen to your ipod.
4. Do you snore (who me???)? Try using the "breathe easy" adhesive strips.
5. Don't like the furniture arrangement? Live with it! It is only for a week. *

WESTERN SKI RESORT REPORT

> > > > > > > > > > by Catherine Ohl, L&C Communications VP

Vail Resort—

In a new brochure, **Vail Resort** in Colorado is claiming that it contains more pisted runs than any other ski area in the world.

It is currently unclear whether the claim refers to the length of piste, the area of piste or possibly to the amount of terrain groomed each night.

Vail Resort is entering "phase two of its grooming initiative" which means it will manicure thirty percent more terrain each night. It has added nine new grooming machines for this winter in order to achieve this ambitious target. On average the resort will groom 1,300 to 1,600 acres per night.

Early Openings For Many Western Ski Resorts—

The 2005/06 ski and snowboard season kicked off, as it does most years, at **Loveland Ski Area** in Colorado on October 14, 2005.

Mother Nature has been kind to the Pacific Northwest after last season's debacle. **49 Degrees North** in Washington and **Lookout Pass** in Idaho logged their earliest opening ever on November 11, 2005. **Steven's Pass**, Washington, opened with three chairs on November 9, 2005, showing skiers and riders that the

2005/06 season will indeed be different.

Mt. Baker, Oregon, opened on November 8, 2005, the earliest it's opened in a decade and the deepest snow on opening day in the ski area's history (27 inches at the time). Also in Oregon, **Mt. Hood Meadows** opened its doors on November 11, 2005 and **Ski Anthony Lakes** opened on November 19, 2005. Up at **Timberline**, thanks to good snow, the ski area opened November 5, 2005 and they are in full operation now.

In California, **Mammoth** kicked off the state's season with 12 to 18 inches on November 10, 2005. The area hosted 2,400 riders that day.

In Colorado, early snows have allowed **Breckenridge** and **Keystone** to open on Veteran's Day, November 11, 2005. **Steamboat** opened on a November 23, 2005 and **Crested Butte** welcomed riders on November 18, 2005 with one lift and two conveyors.

Moving north, the snow just did fall that early for Utah.

In Montana, **Big Sky** opened for one day on November 13, 2005 with 44 inches of snow. Full operations commenced on Thanksgiving day. **Lost Trail Powder Mountain** and **Big Mountain** opened on Saturday,

November 19, 2005.

In Canada, **Blackcomb** opened on November 5, 2005 with a weekend schedule. **Marmot Basin** set November 25, 2005 for its opening day while **Sun Peaks** and **Lake Louise** opened November 16, 2005.

Boyne To Sell, Lease Back Cypress Mountain—

Boyne USA, Inc., is selling **Cypress Mountain**, B.C., and the scenic **Gatlinburg Sky Lift** to **CNL Income Properties Inc.**, a real estate investment trust—and then leasing them back. The \$47.5 million agreement is expected to close the first quarter of 2006.

Cypress Mountain is located 20 minutes from downtown Vancouver. It is consistently ranked the second most visited ski resort in British Columbia.

Cypress Mountain will be home to freestyle events during the 2010 Olympics.

The **Gatlinburg Sky Lift** in Gatlinburg, Tenn., is open year-round and has attracted more than 400,000 tourists each year for the past five years.

CNL Income Properties will own 100% of the properties, including improvements and leasehold interests. **Boyne USA** will continue to operate both properties under a 20-year lease term with four, five-year renewal options. *

by Catherine Ohl, LAC Communications VP > > > > > > > > >

Cold Weather Safety

Serious medical problems can develop when the temperature dips to sub zero levels or when the wind chill index plummets and we are not properly dressed for conditions. Frequent injuries resulting from exposure to cold temperatures include hypothermia and frostbite.

Wind Chill—

Why do windy winter days seem so bitterly cold? A winter day with a strong wind can seem much colder than one with only a mild wind, though the air temperature may be exactly the same. The effect that wind has on our perception of cold is called the wind chill factor.

The greater the wind speed, the faster we lose body heat. Wind chill can make a fairly moderate winter day equivalent to a much colder one—sometimes dangerously so.

For example, a day with a temperature of 30°F might seem of little concern, but combined with winds of 10 miles per hour, it can feel like it's only 21°F.

Frostbite Risk Factors—

Inadequate or poorly fitting clothing, exposure to wind, dampness, contact with cold objects, dehydration, shock, trauma, arteriosclerosis, smoking, history of frostbites, alcohol, substance abuse, and fatigue can contribute to frostbite.

Exposure to high winds and low temperature can develop wind chill temperatures that may result in frostbite. The most susceptible body parts include fingers, toes, cheeks, ear lobes and the tip of the nose because they are located at the extremities of the circulatory system.

Cold Weather Tips—

Early symptoms of frostbite include tingling, numbness, and pain in the affected area.

The skin turns gray or white and is cold and hard to the touch. There is no feeling in the affected area.

Should you experience frostbite take care of the affected parts by applying steady pressure with warm hand and breathing into a cupped hand on the injured site. Do not rub or massage the affected area. A frostbite hand may also be placed under the armpits.

During rewarming, the affected area will become extremely painful, red, and blotchy, indicating return of adequate circulation. Wash the area with soap and water. When color returns wrap the part in sterile gauze or clean cloth, separating the toes and fingers. Elevate the affected part after rewarming to decrease swelling and pain.

Deep frostbite can involve underlying tissue, muscle, tendon and bone. If such should occur seek professional medical attention within two hours. ❄️

Dress to Ski—

When you dress warmly, and in layers, you can regulate your body temperature by taking off or putting on layers as necessary.

Be sure to cover your head and ears and bring a cover for your face.

You'll be a lot safer, too.

LAC TRAVEL ASSISTANT WANTED

Current LAC VP of Travel is looking for someone to learn the ropes on bids and various LAC travel procedures. Candidate should be interested in running for VP of Travel for 2006-08.

Contact **Bonnie West** at 562.699.8880 or bonnie@talleywest.org.

Los Angeles Council

LAC, a non-profit organization, is a member council of the Far West Ski Association (FWSA) and the National Ski Council Federation (NSCF) and is entitled to privileges of both organizations.

LAC is made up of approximately 30 member clubs located throughout the greater Los Angeles region. The council offers a forum for clubs to come together to share activities and lessons learned. LAC sponsors at least one major Ski Week, a four-day Ski Trip, Club Races, Race Camps, Volleyball, Softball, Gala Dance and Summer Events.

This newsletter is published bi-monthly. **Articles for the next issue are due February 16, 2006.** Media is accepted in electronic form (word or text). You can send photos electronically (ohl@catmeowz.com) or snail mail (10818 Viacha Dr., San Diego, CA 92124). All photos will be returned.
