- JD degree

#### Studied at **University South Alabama**

- BS degree

#### Member **Daughters of the American Revolution**

### Post

#### Linda Scott shared a link via **My Goals and Strategies as President of FWSA**

Ensure financial stability of FWSA via sound practices, realistic budgeting, budget compliance and fundraising.

Form an ad hoc committee to identify and implement ways to attract younger members to clubs, councils and FWSA.

Increase our outreach to member clubs and councils to better meet their needs.

Secure online registration and payments for our ski trips and conventions beginning in 2014.

Direct repackaging of the recognition programs to encourage more participation on all levels.

Work to increase funding for the Far West Ski Foundation.

Listen to YOU in order to keep FWSA a vibrant and fun organization.

#### Linda Scott nominated for **President of FWSA**

April 21

Throughout my career as an FBI Special Agent, and my work in the ski club arena, I've developed many skills including team building and public speaking along with organizational, analytical and financial expertise.

**Jane Wyckoff** I worked closely with Linda on the 2012 Convention in Ogden. She was amazing— in her leadership, dedication, high energy, attention to detail and outstanding communication. Utilization of her social media skills will enhance our outreach to a new generation.

**Dennis Heffley** Linda will bring many levels of experience and expertise to the position of Far West Ski Association President.

**Norbert Knapp** Linda is our choice for President of FWSA. She brings fresh ideas and a sense of confidence and authority, perhaps honed in her years of service as an FBI Special Agent.

**Jo Simpson** Linda Scott has the managerial, communication and financial skills required to lead Far West. She will be an excellent representative for FWSA to skiers and our industry partners everywhere.
